**TRADE PARTNER OF THE YEAR  
Outstanding Customer Experience**

---

*“Lakes Electric has been a trade partner with the Hartland Office for a few years now and they have been an essential part of our growth. They consistently come through with completing the job on time, maintain a clean and safe site, and are continuously pleasing our homeowners. Lakes Electric, we TRULY appreciate the work that you do. Thank you and we look forward to continued growth!”*

**WHAT DO OUR BUILDERS HAVE TO SAY ABOUT LAKES ELECTRIC?**

---

*“We have worked with Lakes Electric for more than 5 years now. They are consistently on point from their initial quote to job execution. They continue to be our preferred electricians and a company that we can trust with our clients.”*

- Mike Dumouchelle  
Top Notch Remodeling

*“Lakes Electric has been my go to electrical company for years. Casey and the entire staff are amazing. The pricing is very fair and more importantly the communication and follow through on what they say they are going to do has been unmatched.*

*As a general contractor, they are my first call because they allow me a stress free experience. In today's environment Lakes Electric is leading the way. I highly recommended Lakes Electric.”*
